

WHAT'S UUP WITH YOUTH?

Time to Register for Fall Youth Programs

I hope you are all having a wonderful summer! As we prepare for a return to youth programs in the Fall, please take some time to register youth now: <http://ouuc.org/education/youth-ministry/>

Coming of Age

Every other year (although for the past few years we had an interruption to this pattern) we offer a special rite-of-passage program designed as journey of self-discovery and spiritual affirmation for 8th and 9th graders. This year, because of the lack of the program over the last few years, I also invite any older youth who have not been able to do this program before to join us. You can learn more about this program here:
