

WHAT'S UUP WITH YOUTH?

Successful Auction Service!

Thank you to the 11 middle schoolers who served at the auction this year! They were very much appreciated by everyone in attendance, and they raised over \$500 in "tips" that went into our RE scholarship fund. That fund pays for field trips and provides scholarships for CONS, camps, and trainings so all our youth can attend all our events, regardless of cost. Well done, all!

End of Year Fun Field Trip

This year we will be going to BoomShaka in Tumwater (trampoline fun!) on May 21st to celebrate another great year in youth groups. The Middle School group will go at 11am and the High School group will go at 1pm. I need firm RSVP's so I can pre-purchase group tickets, and everyone needs to have a waiver on file:
